

Eco ChatBot – Eco-Friendly E-Commerce Assistant

Internship Project – Uplyft
Presented by: Harshita Thakur

Objective and motivation

Encourage eco-conscious shopping using AI

Make product browsing easier with chatbot

Replace dropdown menus with conversational UX

Bridge frontend + backend using modern tech

 Promoting sustainable and green alternatives

Features & Technologies Used

✓ Features:

Secure login/logout using Flask sessions

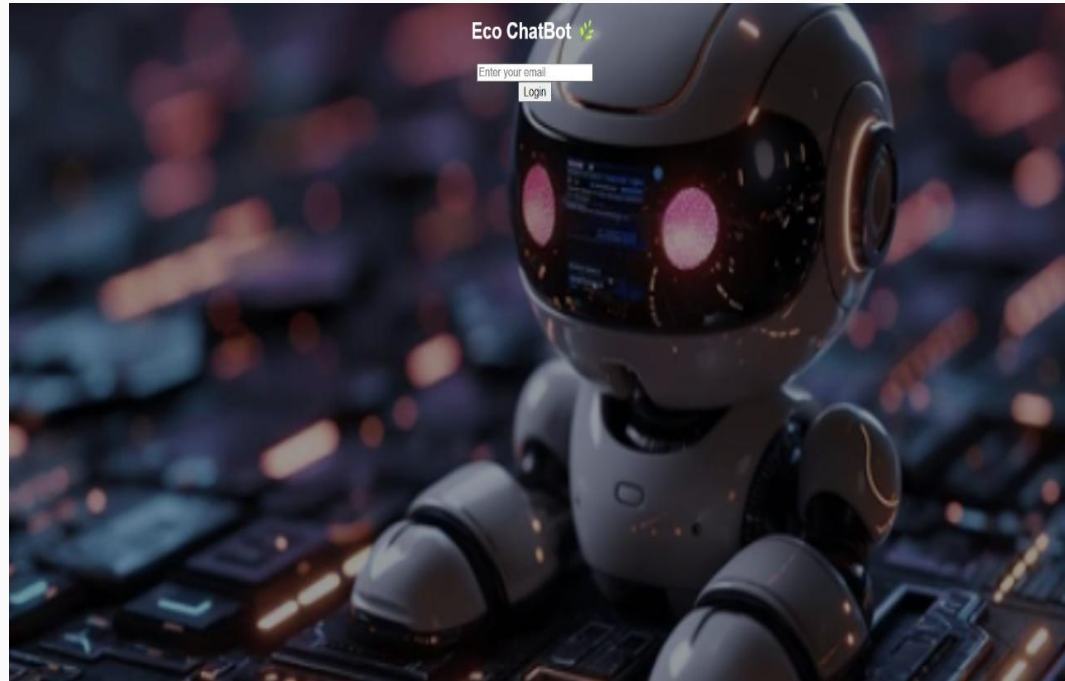

Natural conversation flow

Product suggestions on demand

Friendly UI with time-stamped messages

🔧 Tech Stack:

React (Vite), Flask, SQLite ,CSS, REST APIs,
Flask-Session

Frontend Chat UI

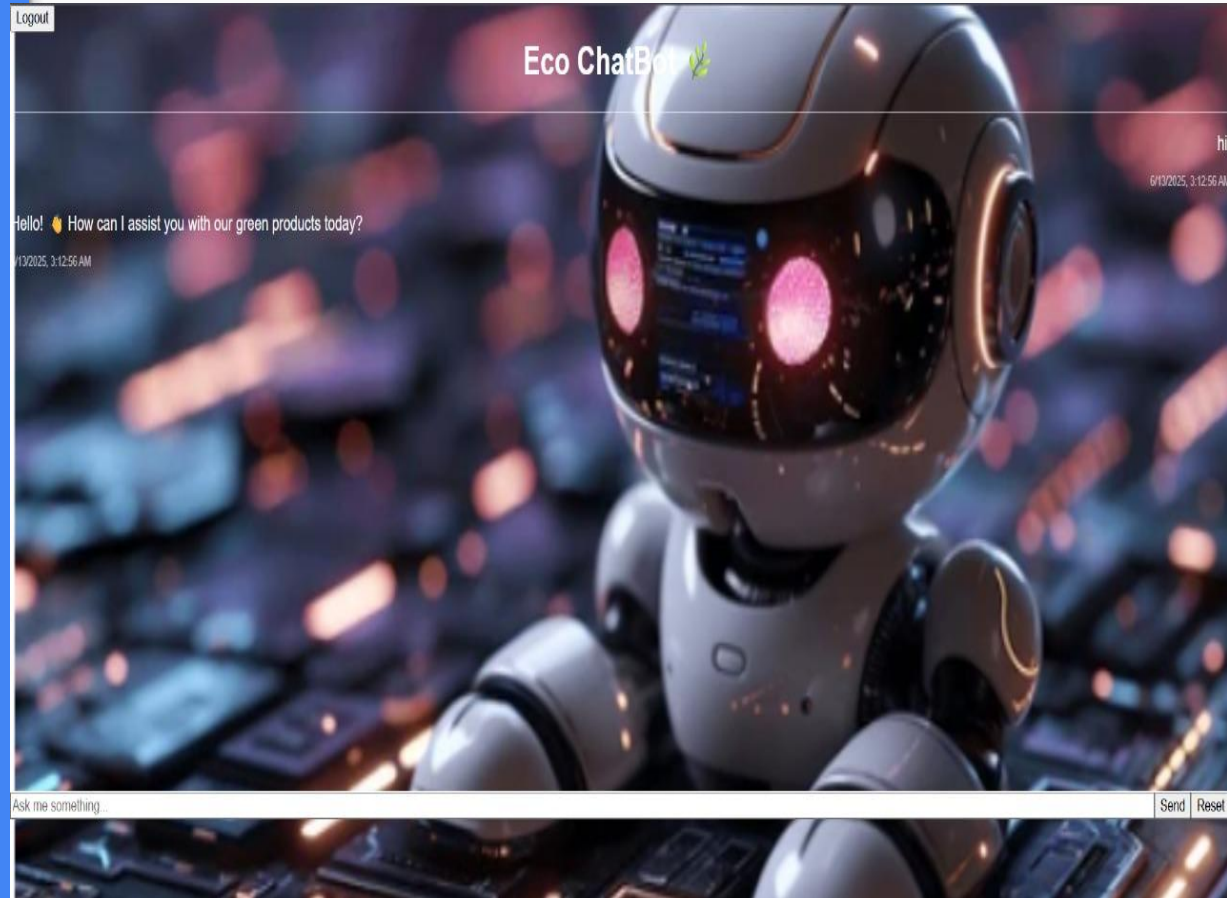

User Interface:

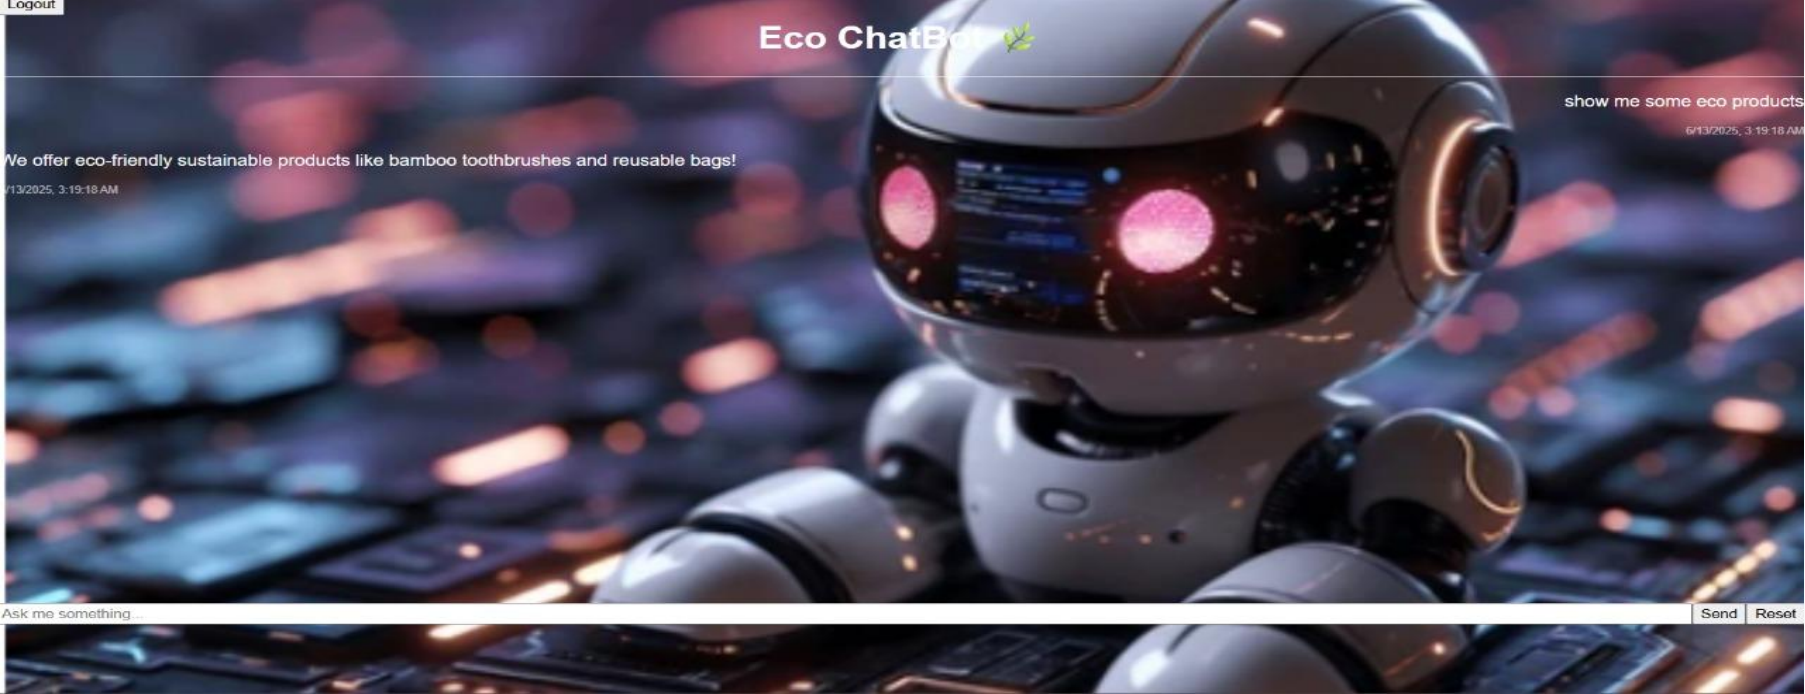

Clean and attractive React UI

User sees greeting + assistant question

Dynamic chat window updates on interaction

💬 Built using React functional components

Product showcase:Product Display via Chat *User types: "show me some eco products"Bot replies with green product suggestions

Connected with SQLite DB through Flask  Shows working backend integration with frontend

Backend API & Server Log

Backend Functionality:

Flask server runs at

127.0.0.1:5000

API endpoint: /api/chat

POST requests handle chatbot messages

Each prompt generates a 200

OK log 

Terminal confirms backend & DB are active

* Running on http://127.0.0.1:5000

Press CTRL+C to quit

* Restarting with stat

* Debugger is active!

* Debugger PIN: 149-958-809

127.0.0.1 - - [13/Jun/2025 03:01:22] "OPTIONS /api/chat HTTP/1.1" 200 -

127.0.0.1 - - [13/Jun/2025 03:01:22] "POST /api/chat HTTP/1.1" 200 -

127.0.0.1 - - [13/Jun/2025 03:12:56] "OPTIONS /api/chat HTTP/1.1" 200 -

127.0.0.1 - - [13/Jun/2025 03:12:56] "POST /api/chat HTTP/1.1" 200 -

127.0.0.1 - - [13/Jun/2025 03:19:18] "OPTIONS /api/chat HTTP/1.1" 200 -

127.0.0.1 - - [13/Jun/2025 03:19:18] "POST /api/chat HTTP/1.1" 200 -

Learnings & Outcomes

Key Learnings:

End-to-end full-stack integration

API request/response handling

Building chatbot using state & sessions

Debugging, UI flow, deployment concepts

🌱 Project teaches eco-awareness via tech!
